- \_\_\_\_\_ 1. It is my intention by this instrument **to give up my right to sue** JCW  
initial Holdings, LLC, dba Gypsy Blood Dive and its officers, agents, servants, and /or employees, whether specifically named or not, and it is also my intention to exempt and relieve the dive vessel so named Gypsy Blood and its officers, agents, servants, and/or employees and to hold these entities harmless from any liability for personal injury, property damage, or wrongful death caused by negligence or gross negligence and **I agree to assume all risk** in connection with my scuba diving activities.
- \_\_\_\_\_ 2. I am a certified diver and have been taught and understand that scuba diving has  
initial inherent risks and dangers associated therewith including, but not limited to, decompression sickness, embolism, equipment failure or malfunction, acts of fellow divers, depletion of the diver's breathing gas supply, becoming lost or disoriented at depth, becoming entangled or entrapped by objects on the sea floor or wreck, onset of sudden illness at depth, or other perils of the sea which could cause injury or drowning, and **I SPECIFICALLY ASSUME SUCH RISKS.**
- \_\_\_\_\_ 3. I understand that breathing gases other than air, diving deeper than 130 feet, and  
initial conducting dives requiring mandatory decompression, only increase these inherent risks, and I have received training and the proper certification from a recognized agency, specifically to aid me in managing these increased risks.
- \_\_\_\_\_ 4. I fully understand and am fully aware that there are no US Navy repetitive dive tables  
initial for dives deeper than 190', although computer driven software exists to create any dive schedule desired. I understand it is not recommended to conduct repetitive dives beyond 190' and in doing so **I SPECIFICALLY ASSUME ALL RISKS** involved with my activities.
- \_\_\_\_\_ 5. Within the last year, I have conducted wreck dives well in excess of 130 feet and I am  
initial familiar with the extensive preparation necessary to conduct such dives and understand that **I am solely responsible** for such preparation, **OR** I am currently enrolled in a technical diving course and I will be making my certification dives on these trips under the supervision of my instructor.
- \_\_\_\_\_ 6. **I am physically fit for deep technical scuba diving** and I will not hold any of the  
initial above named persons or entities responsible should I be injured as a result of heart problems, lung problems, or other illnesses or medical problems which might occur while diving, or aboard the dive boat.
- \_\_\_\_\_ 7. I understand that being under the influence of prescription drugs, illegal drugs, many  
initial over the counter drugs, or alcohol is a contraindication of diving and could cause my injury or death, therefore **I agree to refrain from drug or alcohol use prior to the dive trip** or I will refrain from making my dive.
- \_\_\_\_\_ 8. I will not hold JCW Holdings LLC, Gypsy Blood or its officers, agents, servants,  
initial and / or their employees responsible for providing me with any of my diving equipment or breathing gases, **including any gases I might need in an emergency**, and I understand that I am solely responsible for inspecting all of my equipment, and analyzing my dive gases, prior to diving.

\_\_\_\_\_ 9. I will be present at and attentive to the safety briefing given by Gypsy Blood,  
initial and / or the boat Captain, their officers, agents, servants, and/or employees, and if there  
is anything that I do not understand or am not in agreement with, I will notify the boat  
Captain immediately.

\_\_\_\_\_ 10. Should I notice any unusual condition that might adversely affect my safety, or the  
Initial safety of the vessel or the other passengers, I am obliged to notify the boat Captain  
immediately.

\_\_\_\_\_ 11. I understand that I have a duty to plan and carry out my own dive and to be  
Initial responsible for my own safety and should I elect to dive with a buddy, it is to be an  
arrangement solely between that buddy and myself. Gypsy Blood, and her officers,  
agents, servants, and/or employees are not responsible for providing me with a diving  
partner or in any way coordinating my dive with another diver.

\_\_\_\_\_ 12. I fully understand and am fully aware that the dive boat is extremely limited in its  
Initial rescue and emergency medical response capabilities and that the dive site is in a remote  
location. As a result, in the event of illness or injury, rescue and/or appropriate medical  
assistance may be significantly delayed and **I could sustain further serious injury,  
possibly resulting in death**, from this delay.

\_\_\_\_\_ 13. I fully understand that **it is my responsibility to make my family aware**, as I am,  
Initial that scuba diving, especially when conducted deeper than 130 feet, is an ultra-hazardous  
activity and to accurately portray to them the risk of my injury or death.

\_\_\_\_\_ 14. It is my intention that **this document or any previously signed document on file  
Initial with Gypsy Blood be admissible in any and all legal proceedings, or lawsuits**, that  
might arise from my scuba diving activities.

\_\_\_\_\_ 15. **I have read and understand the foregoing in its entirety.** I agree to the terms and  
Initial conditions of each of the initialed, numbered sections above on behalf of my heirs, my
