Blue Water Divers PADI Master Scuba Diver

What is the PADI Master Scuba Diver Certification?

This certification denotes that you've reached the highest recreational diver level in the PADI System of diver education. PADI Master Scuba Diver indicates you have a significant amount of training and experience in a variety of dive environments.

What do I need to start?

- PADI Open Water Diver certification*
- PADI Advanced Open Water Diver certification
- PADI Rescue Diver certification
- PADI EFR Current Certification*
- Pick a curriculum and 2 electives
- Jr Master Diver 12 to 14 years old

* Or qualifying certification from another organization

How does it work?

Choose either the North East or Tropical curriculum and 2 electives. We will setup a schedule of classes for you. When you sign-up for the Master Diver Program you will be entitled to 10% off all five of the courses. You can look at each specialty outline and pricing by visiting www.bluewaterdivers.com.

Or if you want to create your own curriculum contact store to make an appointment or contact your instructor.

Most courses have eLearning options. Some courses require additional pool sessions.

Cost:

Depends on which courses you choose. You will get a 10% discount on your course fees and training materials when you take 3 or more specialties leading to your Master Scuba Diver Rating. Some courses require additional boat fees or other fees depending on class. There is a fee you pay PADI when you submit for your certification of \$69.00.

Where can I go from here?

The PADI Master Scuba Diver certification is the highest recreational level in the PADI system of diver education. But you do not have to stop there! You can continue to round out your diving skills by taking additional specialties offered. Or you can continue on to become a PADI Professional. As a Master Scuba Diver, you'll be well qualified to begin your training as a PADI Divemaster.

Equipment required:

Will depend on the specialties you choose, please consult the individual course outline.

Almost there . . . If you look back at your diving credentials, you'll see that you are probably halfway there already, you need a minimum of 50 logged dives to qualify for MSD. Why not use these certifications to obtain PADI's highest level of recreational diving. . . PADI Master Scuba Diver.
